WHAT IS THE CONSOLIDATED PLAN (ConPlan)?

Neighborhoods

The federal government (HUD) provides grant funds for housing and community development to benefit residents with low to moderate income.

The funding is awarded to the City. City leaders decide on how the funding will be used.

CIFI prepares and submits to HUD the plan for how the funds will be used and administers grants for the City. "Consolidated" = 4 grants in 1 plan

Various programs and projects are implemented throughout the city by various agencies and organizations.
